## About Risalat

**Risalat Consultants International (RCI)** is founded by a team of professional experts who bring with them many years of practical experience in the fields of Management Consulting, Capacity Building, Sales & Marketing, Linguistics, R&D and M&E.

**Risalat** works closely with its client organizations in developing solutions that can show direction, enhance organizational effectiveness and build the capability of people through offering practical tools and enabling implementation. It always offers the latest and up to date methodologies, concepts, industry best practices and the appropriate benchmarks in executing its clients' assignments. Risalat believes in what it offers to its clients as a best offer solution which ensures achievement of set goals and objectives ordained by the client organization for the assignment on hand.

The company has access to tremendous resources of senior consultants, subject matter experts/ Linguists and Translation professionals, researchers, trainers and facilitators who come from different countries around the world and are ready to deliver projects in various industry disciplines and in multitude of consulting areas.

**Risalat** remains one of the most active organizations in the region with an international reach ready to partner with prime organizations for high impact consulting projects that yield sustainable results.

### **Risalat Service commitment to its clients**

Risalat speaks its customer language through understanding the customer's organization purpose, its business model, its mission key success factors and its people culture.

Risalat builds long term partnerships with its customer's organization through not only supporting their program or project immediate requirements; however, through enabling the customer's organization to keep using and tracking the outcome Risalat has delivered.

Risalat measures its success in delivering the customer's exact need through monitoring and evaluating its outcomes according to the customer's criteria in Relevance, Effectiveness, Efficiency, Impact and Sustainability.

## Quality Assurance & Experience

While maintaining the highest quality possible on every piece of work we perform, we strive to ensure that the client receives value-added services on every engagement and that we exceed the client's expectations. Risalat Consultants International LLC is an internationally recognized organization which has always put quality as a top priority. While implementing each assignment, we ensure the project implementation goes according to international best practices and client's set objectives and expectations. From the planning stage to the implementation, evaluation, reporting and impact assessment stages we make sure quality is not compromised at any stage. Around this page you can see some of our quality experience.

- **Business Services**
- **Event Management**
- **Capacity Building**
- **Hospitality & Catering**
- **Survey & Research**
- **Financial Services**
- **Environmental Management**
- **Immigration Services**
- **Recruitment Services**
- **Construction Advisory**
- **Healthcare Advisory**

## **Project Management**

Risalat has been implementing projects of a varied nature for different funding entities both from government departments and international donor agencies. Risalat is flexible in moving its project staff and resources to any geographical location where the client requires them. From capacity building to M&E, Research & Development to Surveys & Studies and from Advocacy for Rights to Raising Awareness Campaigns, Risalat is fully capable of undertaking assignments for any magnitude.

## **Capacity Building/Training Programs**

Capacity building and skills development of the workforce is a vital element in any organization's success, its ability to sustain a steady growth and succeed the competition. Using international standard training materials and practical approaches Risalat provides long, medium and short-term training programs. The following are some of the core areas:

- **Leadership & Self-Development**
- **Organizational Management**
- **Financial Management**
- **Communication & Presentation Skills**
- **Sales & Marketing**
- **Rights & Advocacy**
- **Social Development**
- **Public Speaking**
- **Training of Trainers**

## **How we do Business**

Considering the fact that our patrons work in different sectors & industries and at different levels of organization hierarchy, we understand they may have different business and organizational goals with different needs and even different cultures and business environment. Yet they share a number of common goals and objectives. We help them focus on & achieve those goals as enable them to:

- **Develop a competitive edge and maintain a steady growthy in increasingly competitive work environments**
- **Accomplish their business goals of having optimal impact for their efforts using minimal resources**
- **Nurture and develop their staff to achieve to their highest performance levels**
- **Cause a direct, measurable and lasting positive difference in their enterprise**
- **Be solution-focused and solve problems more effectively**

However, this does not take us away from the guiding principle of offering client based, customized services aimed at answering each client's individual requirements.

## **Management Consultancy**

Consultants working with Risalat are equipped with world class expertise and many years of accumulated experience from a multitude of organizations in many countries. Their fields and service areas include:

- **Strategy Advisory**
- **Business Planning**
- **Leadership & People Management**
- **Policy and Strategy Development**
- **Service Excellence**
- **Entrepreneurship**
- **Coaching & Mentoring**
- **Human Resources Management**
- **Content Development**

# Impressions on Risalat

"Program was excellent and met my expectations in high terms, the facilities and logistical arrangement were awesome. I look forward to attend next batches of similar programs. Appreciated Risalat Consultants International"

**Mwiinga Cheelo**  
Special Assistant in Peacekeeping from UN Mission in South Sudan

"We are amazed by wonderful professional services of Risalat, It is effective, timely and caring. We are delighted to be long term partner with Risalat for our ongoing management needs"

**Mohammad Youns QURBANKHAIL**  
Founder & Director of QMY Agricultural & Trading Co, Ltd

"I would like to take this opportunity to thank you for your support and hospitality while I was in Dubai for Gender Mainstreaming program, I really had a great time. The contents and the instruction methods of the training were substantial and excellent. The location of the hotel, the accommodation, the food, and the staff made my stay very comfortable. I have already reported to my organization about the excellent job you provided, and I gave my recommendation Risalat to be in the roster as a competitive provider of trainings"

**HANNAH KASSAYE HAILE**
